EarlyON Child and Family Centres

EarlyON Child and Family Centres offer parents and caregivers with children prenatal to 6 years of age, a range of free services which can assist them in their parenting or caregiving role.

EarlyON Child and Family programs are built on the four foundations of learning: Belonging, Well-being, Expression and Engagement. All sites provide access to play and inquiry based learning, information on child development, parent education, early learning activities, referrals to community resources, nutrition information and pre- and post-natal resources. EarlyON Centres provide services that are child and family centered, community driven, integrated and collaborative, developmentally appropriate, socially inclusive, and evidence based.

Our knowledgeable and caring staff provide a welcoming, supportive and accessible place where all children, parents, and caregivers belong.

E3 Community Services is the lead agency for the EarlyON Child and Family Centres for Collingwood and Alliston. The main sites are in Collingwood and Alliston with satellite sites located in Angus, Beeton, Creemore, Collingwood, Stayner, Tottenham and Wasaga Beach. The centres offer regular stay and play hours where families can take an active role in their children's learning, as well as workshops for adults and children.
